Still the Biggest and the Best!

Why pay more or settle for lower quality? This sale is huge, over 10,000 sq. ft., 5,000 inventory items and \$225,000 in sales. It is very well organized, now in its 24th year at Newport High and 33rd year in the Bellevue School District. It rivals the big commercial events in Seattle except that we have lower prices!

What's Available? Economical USED Gear...

Help yourself and others by selling your used equipment or buying theirs. Sporting equipment and clothing value drops about 50% per year for the first three years (\$600, \$300, \$150, \$75). Many people come to the Newport swap year after year to trade-up their gear as their kids grow and their skiing or snowboarding skills improve. There is lots of very nice, high quality, used (and new) gear for sale at amazingly low prices and high value.

... and Major Savings On NEW Gear.

Local ski and snowboard stores offer gear at highly discounted prices, often 25-50% of the price you would pay in a store during the prime season. Why? Every year, the industry over-manufactures by as much as 30%. This is not junk but rather high quality, new gear that shops have left over or that they buy at a discount from manufacturers for swaps.

One Stop Shopping Convenience

We have new and used equipment for beginner, intermediate, and advanced skiers and snowboarders so you can outfit the entire family. We also have all the accessories you will need including jackets, pants, underwear, socks, helmets, goggles, poles, boots, bindings, gloves and much more.

How Does It Work? It's a Consignment Sale.

Both individuals and snow sports shops bring gear which we sell. You bring it, you price it, we sell it, and you get 75% of the selling price.

Check-in Your Equipment for Sale:

Friday, November 13, 3:00-7:30 PM

Anyone can bring snow sports related items for sale. (Equipment that is too old or unsafe will be refused.)

Pick-Up Your Check & Any Unsold Equipment: Sunday, November 15, 11:30 AM - 2:00 PM

Pick up your unsold items and a check for the items sold. (We sell about 75% of the used gear checked in.)

Volunteer help always welcome!
